

Last Week's Message: Reclaiming My Passion

Big Idea: We are called and created to be people of passion.

Key Scripture: "Passion for God's house will consume me." John 2:17

Huddle Discussion:

Passion is attractive, inspiring, and contagious, and it points people to Jesus. The active ingredient in a movement of Hope is passion. We dream about our passions, we're excited to talk about our passions, and we're willing to sacrifice, invest, and suffer for our passions. We reclaim lost passion in our lives when we remember, repent, and return to the things we did when we had passion. We will respond with passion when we acknowledge the passion Jesus has for us.

Takeaway: Passion is the active ingredient in a movement of Hope. What would contagious passion look like for our team and how might it affect those we serve?
