

BIG IDEA

We are called and created to live in freedom.

SUMMARY

This has been a big series and God has been moving. When God says follow, we want to go where He's leading. We are anointed as reclaimers and we have been taking things back in Jesus' name. This week we are reclaiming our freedom. Freedom is knowing who you are, who God is, and what you were created to do. There's a difference between being set free and living free. The power of the gospel enables us to live free. Jesus want us to experience the fullness of the freedom He offers.

KEY POINTS

1. Freedom Scale: From Bondage to Freedom

"Only Jesus can set you free and empower you to live free."

"Don't look at what you want to be free from, look at the one who sets you free."

Where in your life are you looking to Jesus for more freedom?

2. Three Circles

"God not only reclaimed you, He blessed you."

"You're either reigning in life or life is reigning over you."

"Walk around with the belief that you are set free in Jesus' name." Suggested: "When you believe you're free, you live free."

What ground are you taking back in your identity, relationship, or purpose?

3. God is Good, Jesus has Forgiven Me, I am Loved, Everything is Possible

"These truths hold the universe together."

"You can't determine what happens to you, but you can determine what happens in you."

How can you apply these core truths as a filter to reject lies that you are believing?

ENGAGEMENT POINT

This week, by faith, declare these four core truths over your life. Believe that God is good, Jesus has forgiven you, you are loved, and everything is possible!
