

Huddle Guide for Fall Launch at Valley Creek, Week 4**Last Week's Message:**

We are created to live an ascending life. To take next steps on our journey with Jesus that take us to new places with God. The ascending journey requires faith, commitment, and intentionality. The only thing worse than not climbing is climbing the wrong mountain. We have been so conditioned to live on the mountain of religion, that we don't believe there's a mountain of grace. But if we ask God, He will give us the grace and the wisdom to move forward and pioneer new ground in our relationship with Him.

Big Idea: Find Friendship**Key Scripture:**

"Show me your ways, O Lord, teach me your paths." Psalm 25:4

Huddle Discussion:

This week, as a team, who can we invite into our groups and our team so that they can Find Friendship with God and with others?

Takeaway:

Life is not about doing things for God, it's about doing things with God.
