HOW TO RUN THE PLAYS

ENGAGE IN THE WEEKEND EXPERIENCE

You can only give what you've received. Being part of a team means committing to owning your journey so you can help others move forward on theirs.

BE RESPONSIVE IN COMMUNICATION

Each month, you'll receive an invitation to serve each Sunday through MyValleyCreek. You'll also be added to a Team GroupMe Chat. We ask that you respond to serving invitations right away and engage in your team chat.

ENGAGE TEAM HUDDLES

30 minutes prior to service, we'll huddle as a team. This is where we grow in relationship and prepare to serve. Your leader will pull you together to focus on a specific value each month. This is where you get to activate your faith; it's where you get to know and be known as a team. Arrive on time – you don't want to miss this!

SERVE CONSISTENTLY

This is how we steward our position well and build kingdom culture within our serve teams.

ATTEND TRAININGS

Teams are at their best when they train together. We like to celebrate, grow, and connect through team trainings.

PLAYING IT SAFE

CHECK-IN AND PERSONAL BELONGINGS

All teams will check in and store their personal belongings in a designated storage space prior to huddling with their leader.

SAFETY AND SECURITY

As a team we work together to keep our campus safe. Report any safety/security concerns to your team leader or via radio to our Operations Team.

MEDICAL EMERGENCIES

We have an on-site medical team; report any medical issues to your team leader or via radio to our Operations Team.

CONTACT REQUESTS

As a serve team member, you may be asked for Valley Creek Staff contact info. To honor both our staff and those we serve, you may take their info and pass it along or direct them to contact us at info@valleycreek.org.
