SERVE THE CITY SATURDAY

As leaders you get to rally your serve team together at the start of every STC Saturday, then you get to wrap up the project you did together. You get to set the tone and create kingdom culture from start to finish with your serve team. Every rally and wrap should follow these guidelines.

2. Project Overview: vision (the why) and specifics (the what)
3. Pray and begin project

WRAP UP GUIDELINES (5-7 mins)

2. Announcements (potential next steps and next month's serving opportunity)
3. Take a Team Photo (upload to valleycreek.org/stcphotos)
