

Week of July 17-21

TEAM FOCUS

We have the responsibility to give what we have received.

CONNECTION

Read [Philippians 4:19](#). God defines and provides all our needs. We need the grace of God, the Spirit of God, the Word of God, the people of God, and the mission of God.

Today, we get to experience those needs being met today. We receive His grace, walk by the Spirit, hear the Word of God preached over our lives, and as a team we have a mission to be part of!

APPLY

The church doesn't have a mission; the mission has a church. May you be aware that He's providing for you as you serve.

PRAY

God, thank You that You give good things to us. Thank You that we get to be on mission with You. Lord, help us steward the mission well, so our church may receive everything You have to give. In Jesus' name, amen.
