

Week of September 30-October 6

TEAM FOCUS

We will do whatever it takes to reach the lost and develop leaders.

CONNECTION

Read [Mark 6:31-32](#).

Jesus lived a life of servanthood and still took time to practice silence and solitude.

APPLY

We all have responsibilities at home, school, and work along with choosing to serve on this team in this season. What would it look like for you to practice silence and solitude as you grow in servanthood through this team?

PRAY

Jesus, may Valley Creek be a people who are present with you and will seek you first as we reach the lost and develop leaders.
