

LEADERSHIP LAB #1

[HIGH SCHOOL]

The Word of God is your playbook for life! Do you live as if that were true? Take some time to process the questions below with your pod.

1. The Word of God can be used (1) offensively, (2) defensively, (3) to lead ourselves, and (4) to lead others. Which of these is easiest for you to live out, and which one is the most challenging? Why?

2. Choose one of these four ways to use the Word of God that you'd like to grow in: (1) offensively, (2) defensively, (3) to lead ourselves, (4) to lead others. Share a specific example or situation of what it might look like to use the Word of God in whichever way you chose.
