TRAINING PLAN

The training plan will help you grow in character and personhood while forming lifelong habits of a leader. It's also there to create healthy rhythms that open you up to experience God's love and walk in the confidence of who you are, who He is, and what you were created to do.

While all of the practices are part of Student Leadership Experience, you'll be responsible to engage in some of them outside of our gatherings throughout each month. This includes:

- Completing your monthly carry hope practice
- Memorizing your monthly Scripture
- Engaging the Valley Creek Reading Plan

COMMITMENT

In the kingdom of God, faithfulness matters and commitment counts. This experience is highly relational and team-based, which means consistency and active participation are important and absences are significant. Saying "yes" to this experience is committing to:

- Engaging in a minimum of 75% of all gatherings and experiences
- Arriving on time with their pen, Bible, and Student Leadership Journal
- Actively participating in each experience
- Completing all practices and activities as part of the monthly training plan

If a student is unable to consistently meet these expectations and commitments at any point during the year, they're making the choice to remove themselves from Student Leadership Experience.
